It is proposed to conduct the Written Examination for Firemen & Fireman Drivers on 27th November'2023. The number of candidates who are scheduled to appear in examination in your district is given in the annexure. You are requested to give a requisition to suitable examination centers and obtain their consent. On receipt of your confirmation, examination date will be intimated to the candidates. You are requested to complete this process before 15.10.2023.

The 27th November' 2023 has been selected because of two reasons. Firstly, written test for S.I. of Police will be held on 26.11.2023. Secondly, 27.11.2023 is a holiday so classes will not have to be suspended. The same escort party can carry examination material to the districts. Also, fire department can utilize other arrangements made by the Police Department for S.I. Examination.

Accordingly, you should meet the district S.P. and request for assistance. Also submit requisition to the same institution that will conduct S.I. Examination and obtain their consent.
